

**TERMINAL DISCLAIMER TO OBVIATE A PROVISIONAL DOUBLE PATENTING
REJECTION OVER A PENDING "REFERENCE" APPLICATION**Docket Number (Optional)
4965-000178

In re Application of: Martin Letz et al.

Application No. 10/798,940

Filed: March 11, 2004

For: Rare Earth Doped Luminescent Glass and Cold Light Source Device

The owner*, Schott AG, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patents granted on pending **reference** Applications, Number 11/116,044, filed on April 27, 2005 and 10/798,940, filed March 11, 2004, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patents granted on said **reference** applications may be shortened by any terminal disclaimer filed prior to the grant of any patents on the pending **reference** applications. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patents granted on the **reference** applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any such patent granted on said **reference** applications, "as the term of any such patent granted on said **reference** applications may be shortened by any terminal disclaimer filed prior to the grant of any such patent on the pending **reference** applications," in the event that any such patent granted on the pending **reference** applications expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.
